

'One Big City' Proposed for Local Area

**La Mesa Planner
Urges Consolidation
At Grove Men's Club**

The chief planner for the City of La Mesa last week urged members and guests at the Lemon Grove Men's club to consider the possibilities of consolidating La Mesa, Lemon Grove, Spring Valley and the Grossmont-Mt. Helix areas into one city.

His hitherto-unmentioned proposal was offered Friday to what appeared to be the poorest-attended session of the Men's Club in many weeks. Not since the Men's Club started its extensive probe into various prospects for local government have so many members of the club failed to show up.

But the speaker, Grant Burns, tossed onto the table a proposal that wasn't even hinted at in the pre-meeting announcement that he would discuss "future planning for La Mesa."

Burns said that his office already is planning for the day when all these areas will be consolidated. He added that he city has no authority outside its limits and has no assurance that such a consolidation ever will take place.

As reasons for such consolidation, he said that all these areas are "congruous; they have the same general topography, and even today are separated only by lines in a map. There is no other way to tell where one area ends and another begins."

Speaking of the possibility of Lemon Grove becoming an incorporated city, annexing to San Diego or annexing to La Mesa, Burns said:

"Consolidation holds more promise than any other course that might be taken."

He used the term "consolidation," he said, "because Lemon Grove and these other areas are so large and have such great populations that 'annexation' is hardly a term that could be used except in a strictly legal sense."

Referring to the present governmental setup under which Lemon Grove's destiny is directed by the County Board of Supervisors, Burns urged abandonment of any idea of annexing to San Diego because "You've already had a taste of big government and you know how rough it is to fight distance, red tape and loss of intimacy in your relationship with government."

Civic Leaders To Honor Supervisor Bird

An Appreciation Dinner, honoring County Supervisor David W. Bird, will be held Monday at Lawton's Cafe in La Mesa. Civic leaders of Lemon Grove, Spring Valley, La Mesa and El Cajon are sponsoring the event. A plaque of appreciation will be presented to the supervisor.

Among the sponsors are Gilbert Ray of Spring Valley and Harry Griffen of Lemon Grove. Griffen is in charge of the program.

Dinner will be served promptly at 7:30 p.m. followed by the program. Attendance is by reservation only and dinner is \$3.

Reservations may be made with Ralph Duesbury at Lawton's.

S. V. Chief Gets Office In County Fire Organization

Frank Berger, chief of the Spring Valley Fire Department, was elected secretary-treasurer of the San Diego County Fire Chiefs' Association last week.

Elected president was Chief H. M. Halgren of El Cajon. Chief Ward Ensley of Escondido was elected vice president. Berger replaces Lemon Grove Fire Chief H. O. Hensley.

The association has a membership of 30.

Archie Moore Proves Verbal Champion Too

The venerable Archie Moore proved in Lemon Grove last week that he's as fast on his feet in a verbal exchange as he is in a fist fight.

Moore, light heavyweight champion of the world, appeared as guest speaker at the annual father and son banquet of the Lemon Grove Lions Club. He talked for a few minutes and then asked for questions from the men and boys present.

For more than an hour, he deftly parried embarrassing questions about his age and his "secret diet told to me by an old Australian aborigine," but kept up a verbal jabbing attack that kept his audience off its feet—mostly rolling on the floor from laughter.

Moore confided that he weighs 220 pounds now "but will be down to 185 for my next fight without any trouble because of my secret diet." He added that nobody else in the world knows the secret "because the aborigine died."

Asked why he doesn't stay on the diet all of the time and keep slim, Moore replied: "I'm at the age when I think a little paunch makes me look dignified. And besides if I stayed at 185 none of my clothes would fit me."

The champion was accompanied by his trainer, Dick Sadler, and by Willie Bell, who recently won both the Northern California and Southern California light-heavy Golden Gloves championships. He will go to Idaho next month to represent California in the regional championship tournament.

County Won't Pay For School Lunches

SAN DIEGO (CNS)—The prospect that the County Board of Supervisors is going to change its policy that requires school districts to pay for the lunches for needy children appears dim.

The board, as it has been at budget time each year, is under growing pressure to add the lunch item to next year's expenses.

But last week the Supervisors said that San Diego had been the first county in the state to pay for lunches and the last to abandon the program, so the program had been given all possible support.

"Local school districts can finance this program," said Supervisor Robert Dent. "Some of them are doing it now."

After Moore's hour-long verbal bout with the Lions and their cubs, program chairman Jesse Lee presented him with a plaque from the club. Its inscription lauded Moore for his work with boys in the area.

"Thank you," Moore said. "That will look beautiful on the wall of my new house."

He received a standing ovation.

Two Congressmen From County To Run Again

Both of San Diego County's representatives in Congress have announced that they will seek re-election to their fifth terms.

They are Bob Wilson of Chula Vista and James B. Utt of Santa Ana. Both are Republicans.

Wilson, who has been a member of the House Armed Services committee since he went to Congress, also is a member of the House Interior committee. In the last two years he has emerged as a spokesman for the Eisenhower Administration's defense policies, notably in the field of intercontinental ballistic missiles.

Utt, in the early 30s, served two terms in the California Assembly and subsequently served as state inheritance appraiser in Orange county. As a freshman in Congress he served on the Ways and Means committee during the 83rd Congress. In 1954 he transferred to the Committee on Interior and Insular Affairs, where he served through the 85th Congress. He again is an active member of the Ways and Means committee and is the only California representative of the Republican group which makes appointments to House committees.

DEMO CANDIDATE

W. Earl Calhoun of Fullerton, a Democrat, this week was to file nomination papers for the office of Representative in Congress for the 28th Congressional District—which includes this area.

The announcement of Calhoun's candidacy was made from Democratic headquarters in Santa Ana. It made no mention of his background or qualifications.

School District Gets \$52,721 Federal Funds

Lemon Grove School District has been awarded \$52,721 federal funds for school operation, according to James B. Utt, Congressman of the 28th District.

The money is for school operation awarded under Public Law 874 to schools heavily burdened by the impact of federal installations in their area.

Paul Reynolds, school district business manager, said there were 800 federally-connected children in Lemon Grove public schools. The award was figured into the 1959-60 budget. A relative amount will be figured in the 1960-61 budget now under study by the school board, Reynolds said.

The amount certified for payment is determined for the tentative entitlement for the fiscal year computed on the basis of information and estimates contained in the application.

The total entitlement for the school district for fiscal 1960 has been set at \$70,295, of which the above amount has been certified for immediate payment. Additional payments will be subject to such adjustments as may be required by actual data and by the availability of funds in relation to total entitlements for financial assistance. (Funds available for fiscal year 1960 will require proration of payments at approximately 85 percent of tentative entitlement shown).

Census Enumerator Crew Leaders for Area Named Here

Two people from Lemon Grove and one from Spring Valley have been named crew leaders for the 1960 census of population and housing in this area.

Each crew leader will supervise about 20 enumerators in the nationwide census which begins April 1. Crew leader training began on March 14 at the conference building in Balboa Park.

Crew leaders from this area are Mrs. Dorothy Nottingham, 7772 High, Lemon Grove; Mrs. Lois Jones, 3975 Encanto, Spring Valley; and William R. Bell, 2851 Washington, Lemon Grove.

They are learning how to recruit census takers, train them, prepare reports, make canvasses and supervise census takers to insure a complete and accurate count.

Recreation Man Pleads for Help

The DIMMER VIEW

by MAX GOODWIN

Voters who turned down recreation in the Lemon Grove area in December must suffer the pangs of conscience as they evaluate the result of their determination. By the very nature of the democratic act of voting voters imply that they have made a study of the issue and are reacting according to their feelings.

They are saying, in effect, that additional facilities for recreation are not needed locally. Yet, surveys of the community's resources show public facilities to be minimal.

In the past two years 2,000 new homes have been added to the general area which looks to Lemon Grove for guidance. There are no more recreational facilities here now than there were in 1953, or 1956 or even 1950, Little League baseball parks being the exception.

By comparison, a 2,000 house project in Florida is being built around recreational facilities. These are not for the upper income group nor are they tenement-type dwellers. They are \$13,500 to \$16,000 middle-income-group homes. Time Magazine, in a report on the Sunset Park homes in Dade County, Florida, says the developers of the project see recreation as "making a more desirable community."

As part of the project home buyers will own a community building, an Olympic sized swimming pool, handball, basketball and badminton courts, a Little League diamond, shuffleboard and a barbecue area.

If recreation makes a "more desirable community" for 2,000 homeowners it becomes a vital need for a community of 5,000 homes.

In the Time report, the developers of Sunset Park have set \$15 a year per family as the cost for providing the facilities and the program. In the Lemon Grove area the land for such a program is already in public ownership and the cost should be considerably below the Sunset Park level.

All this is not to say that recreation is not available at all for our residents, but even for the most simple needs of a "more desirable community," we have to travel to somebody's else's community to get it.

Courtesy Week is being sponsored here next week by the Lemon Grove Rotary club as a step in revitalizing the once-popular art of humans acting as humans to other humans.

In the Rotary project, suitably inscribed plaques will be awarded to the most courteous sales and service personnel dealing with the public. A similar award will go to the winner's employer because of the theory that the representative performance is in line with the wishes of the boss.

Another award will go to the person adjudged the most courteous driver. This winner will be chosen by a California Highway Patrol officer.

Additional plaques will be given to seventh and eighth grade students of public and parochial schools in a courtesy poster competition.

It seems to us that the courtesy event comes none too soon. Like high button shoes, this valuable commodity of civilization seems doomed to extinction in today's stress-filled world. Yet, once in a while, some of it emerges from least expected places . . . often from the very ill and the very old. It doesn't often found in government offices but occasionally it does peep through.

We suspect the Rotary project will not bring courtesy back into full-flavored popularity, but if other groups follow the lead to encourage individual acts of courtesy, every one's (Continued on Page 3)

Water Heater Explodes; Blast Rips Spring Valley Home; 7 Uninjured

A hot water tank exploded in a Spring Valley home this week, demolishing the house and damaging two nearby homes.

Of eight people asleep in the house, only one was injured.

The explosion occurred shortly before midnight Monday in the Junior A. Holton home, 3942 N. Cordoba, Casa de Oro. Mrs. Holton suffered a broken ankle. She and two of her children, Delana, 2, and Jerry, 8, were taken to Grossmont hospital.

Five other children, 10, Carla, 3, Melody, 4, Marsha, 14, and Gloria, 13, escaped injury.

The father was at work at an aircraft factory. He came home when notified of the explosion.

The president of the Lemon Grove Youth Center control board Monday night appealed to the community's Coordinating Council for help in obtaining a new recreation center for Lemon Grove.

Frank Armstrong, youth center president, said that

Vista La Mesa Little League Hearing Set

SAN DIEGO (CNS)—A public hearing is set for 11 a.m. Tuesday to give sponsors of the Vista La Mesa Little League teams a chance to appeal to the County Board of Supervisors against the County Planning Commission's denial of a permit for use of the county park in Lemon Grove.

The applicant for the hearing is the county itself, represented by the parks and recreation department.

The planning commission opposed issuance of the permit on the grounds that the league was told last year it would have to find new quarters.

At the commission public hearing on the permit, held February 26, neighbors again appeared to object to the league using the field. They said the noise and dirt make the league's activities a nuisance in the neighborhood.

Cletus "Biff" Gardner, chief of the county's parks and recreation department, answered that dust and noise are "inherent in public playground activities."

He told the commission that the neighbors might have more to complain about if use of the playground is not supervised.

Jack Crawford, little league president, said plans for a new field fell through when San Diego Gas and Electric Co. sold a piece of land the league was going to use this year.

At the coming hearing, it is understood, the possibility of a new field will be discussed. The objection of league officials to it, according to reports, is that the league would have to vacate it upon 24-hour notice.

The investment of the league in facilities at the Vista La Mesa park is understood to be approximately \$10,000, which league officials say they cannot move without some guarantee they will be able to stay in a location. Supervisors have received a number of letters asking that the league be allowed to stay at the park.

He said that such a district would be under the final direction of the supervisors but supported by a recreation tax in the area.

Mrs. Martin, pointing out that the coordinating council had voted in February to establish a recreation committee, asked for a volunteer to be chairman. She received no offers and no official action was taken.

Earlier, Mrs. Fred Merino, chairman of the council's welfare committee, reported on a preliminary investigation into the functions of welfare organizations in Spring Valley and El Cajon. Her committee is to continue its study and make a recommendation later.

Rush Rowley, secretary treasurer, resigned his post—saying that he has been elected president of the junior high school PTA and will be unable to devote time to the council office. No replacement was named.

State Income Tax Deadline April 15

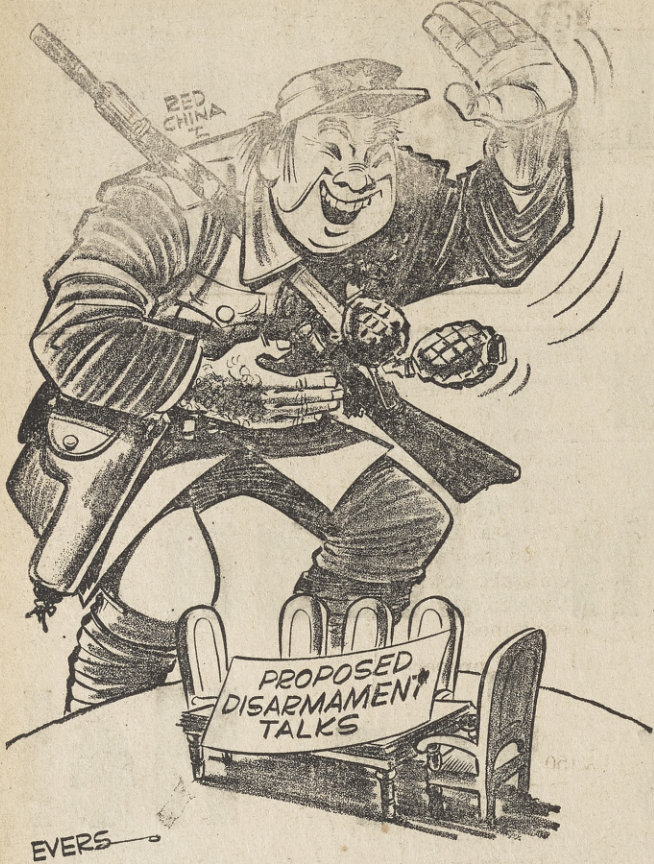

The deadline for filing state income tax returns is Friday, April 15, State Controller Alan Cranston, chairman of the Franchise Tax Board, this week reminded residents.

"Everyone who received sufficient income during 1959 to require the filing of a State return should keep that date in mind. Forms have been mailed to all taxpayers who filed last year," Cranston said.

The tax board chairman pointed out that all single individuals who earned \$1,500 or more, and all married couples whose combined income was \$3,000 or more, must file returns.

Is the quick green bud of the willow's tear
A sign of Spring again this year?

Is the lilac's scent upon the breeze,
The first green haze upon the trees?

Is Hardy's River frozen still
Though flowers bloom upon the hill?

Can you see robins in the square,
Feel warming sunlight on your hair?

Do you miss me on moonlight walks
Where the owl hoots and the night bird talks?

Do you still wait, through the years so long,
As I dream of you and the sound of your song,
For the day to come, yet far away,
When I'll be back with you to stay?

Yesterday I noticed the be-
ginning of red buds on the bou-

A Swimming Pool: Do Residents Really Want One?

"Neighborhood monitors" of
the Lemon Grove Swimming
Pool Assn. have recommended
that the recreation chairman of
all the local PTA units be re-
cruited for a community-wide
survey to find out how Lemon
Grove residents feel about do-
nating money to build a swim-
ming pool.

The association recently com-
pleted a 450-house survey in the
new San Altos district and re-
ported that:

175 families said they would
donate money (the average of-
fered was \$15. This adds up to
\$2,628 for the area. Mrs. V. C.
Seal, chairman, said that at
the same average throughout
Lemon Grove, the association
could raise \$34,164 for a pool.
The estimated cost is between
\$90,000 and \$100,000.)

100 families rejected the pro-
posal with a flat "no."

11 families said "no" because
they are moving.

24 marked the request "not
interested."

90 families could not be con-
tacted to find out their feel-
ings on the matter.

Mrs. Seal said that the survey
was made by having a group
of women distribute an infor-
mation sheet and a poll card
to each house in the area. Then

the women went back the next
day to collect the cards with
the residents' comments.

She said that a similar survey
spread over the 5,800-home
Lemon Grove Community
should give the Swimming Pool
Association a good idea as to
its best future course.

raising events is about \$2,500

My observation has been that,

the buds and are therefore hard

they move out closer to the sur-

ELECTRIC COOKING

so QUICK... so CLEAN... so WORRY FREE!

When you cook with electricity on a modern electric range, you're doing
the whole family a favor! Automatic temperature control and timing
devices on today's electric cooking centers make cooking a matter
of set-it-and-forget-it, allowing you more time for the many other activities
that make living better, easier, more fun for you and the family. And
your kitchen stays so COOL and CLEAN that you seldom realize all that controlled heat
has been at work for you!

See your dealer right away — and while you're there — ask him about the new modern
electric water heaters. It's so easy to find an out-of-the-way spot for even a big electric water heater because
no vent or flue is required.

Many Means

Home Economist, San Diego Gas & Electric Company,
SAYS:

"One reason why I like electric cooking is because large quantities of food . . . such as 4 to 6 pies,
several layers of cake, loaves of bread, or complete oven meals . . . may be cooked at
one time in today's large electric ovens. They heat in a jiffy, control the heat accurately,
and have balanced heat to give perfect baking and browning."

existence would be a little brighter and happier.

A Superior Court decision in Castro Valley (Calif.) may change the way of executive life at Grossmont district hospital. Superior Court Judge Cecil Mossbacher ruled that the directors of Eden Township Hospital District must hold in public all deliberations on a controversial application for admission to the staff.

Grossmont hospital medical executives held closed, or secret, meetings on admission to the staff, and this, according to Judge Mossbacher's ruling, would be in violation of the Brown Act. The act was passed to avert closed meetings by public organizations.

In a specific case, covered by this newspaper in 1958-1959, a Lemon Grove doctor was denied staff privileges although this doctor is a tax supporter of the hospital and his patients likewise are part-owners of the hospital by virtue of bonding and taxing their property so that the hospital may function, presumably, for the benefit of people within the district.

The doctor in question is a long-time practitioner but his request for staff admission was rejected in a closed meeting. He has said that he was never given a reason in spite of many attempts to learn why.

The theory for closed meetings is obvious. Any doctor might suffer irreparable professional character damage if he were rejected publicly. But, open meeting would make any hospital's credentials committee become very certain that its decisions were based on facts alone. It would leave no room at all for personal prejudice or reprisals.

This is not only true of district hospitals' medical staff, but true of any group operating a public enterprise in which the staff, or directors, meeting in secret, sets itself up as district attorney, judge, and jury.

At any district hospital, open meetings would guarantee that requirements for staff status would be succinctly spelled out and adhered to. There could be no closed-door discrimination.

Closed meetings of hospital districts is a single but important problem and concerns the press as well as the public. Another problem it brings worries every thoughtful doctor: How can the profession reject a practitioner from treating his own patients in a publicly-owned hospital yet condone the same doctor treating the same patient in the doctor's own office? Since policing the profession is so important in Grossmont hospital, isn't it equally important at the neighborhood level?

As it now stands, the philosophy at Grossmont and other tax-supported hospitals where closed meetings are held, is necessarily confusing. The staff must say "the public be protected" from one side of its mouth, and "the public be damned" from the other.

Voter Registration: The Time is Short

You've got three weeks in which to register if you want to vote in June.

Final date for registration in order to be eligible to vote at the Consolidated Primary Election June 7 is April 14.

Those who will be required to register are those who have never registered; those who voted in neither the last primary nor the last general election; those who moved since their last registration, or those who wish to change their party affiliation.

Conversely, if you voted in the last primary election, or voted in the last general election (both were in 1958) and have not moved or changed affiliation, you're in fine voting fettle. For specific information and locations of area registrars of voters you may contact CYRESS 8-4181, line 301.

4-H Youngsters

Win Top Honors

The Dehesa 4-H Club held a judging day at Pitt's ranch recently, with several clubs around the county participating. Classes were divided into six groups from four year old milking goats to kids.

Winning first place honors for the Lemon Grove-Spring Valley club were Diane Bierwirth, Ann Mathewson and Christine Mathewson. Winning second place ribbons were Barbara Cooper, Susan Bierwirth and Tim Mathewson.

A barbecue lunch was served following the judging. Future 4-H events in the county are: County judging day, April 2 at 9 a.m. at the Santee School; San Diego demonstration and talent contest, April 9, at 9:30 a.m.; County dress review, April 24, in the Grossmont High School auditorium.

Pastors' Group to Start Fight Against Local Pornography

Members of the Homeland Pastor's Association, representing churches of the Lemon Grove and Spring Valley areas will give intensive consideration to the growing problem of pornography and lewd literature at the next meeting of the association, according to the Rev. Hardis Bakken, president.

A growing menace to young people especially is found in the availability of magazines, books, pictures and even phonograph records which capitalize on raw sexual experience. The group will study not only about the effects of such pornography upon children, youth and adults, but they are also interested in learning more about the legal aspects of the problem in terms of constitutional rights and freedom of the press. From the next meeting, it is hoped the way may be found to set up a study and action committee.

The next meeting of the

Homeland Pastor's Association is being held at the Lemon Grove Methodist Church, Golden and Washington, on Thursday, March 24 at noon. A guest speaker and authority on the subject will be present. Lunch will be served. All ministers of the area are urged to be present.

The association is also completing plans for the Annual Good Friday Three-hour Service to be held this year from noon to 3 p.m. on Friday, April 15, at the First Congregational Church. Ministers of the various churches in Spring Valley and Lemon Grove will lead 25 minute periods of worship based upon the Seven Last Words of Jesus. Special music will be provided by the various churches.

Local Salesmen Win Top Honors

Three salesmen from Spears Ford, Lemon Grove, were presented Ford motor company's 300-500 Club award at a banquet at the Moulin Rouge in Hollywood on March 17, honoring high-ranking Ford dealership car and truck salesmen of 1959.

The three salesmen are B. J. Vinyard, K. P. Dewey and E. E. Grable.

William H. Klein, district sales manager, said 300-500 Club membership awards are presented for excellent retail sales performance and added that efforts of winning salesmen are of particular significance because they resulted in Ford leading all other makes in sales last year.

Parsons Appointed

SAN DIEGO (CNS) — The appointment of Tom Parsons as a fire commissioner in the Lemon Grove Local Fire District has been approved Tuesday by the County Board of Supervisors.

The action was taken on recommendation of other commissioners, who said that Parsons, the incumbent, was the only one nominated for the post, so that no election would have to be held.

Neighbors Rally To Help Displaced Valley Family

Neighbors moved in swiftly Tuesday to help the 9-member Junior A. Holton family which was blasted out of its Spring Valley home Monday night by a water heater explosion.

L. D. Lawton, assistant chief of the fire department and Red Cross disaster chief for the area, said that the Red Cross had obtained a motel room as temporary quarters for the displaced family.

He said that the Red Cross is looking for a house for the Holtons, and a temporary home-keeper.

The Spring Valley Welfare Society provided two boxes of groceries.

The Foothills Methodist Church sent out a call for donations of food clothing and furniture. Money also was being collected to help the family, which moved to Spring Valley in June from Michigan.

Three of the Holton children are deaf mutes and this complicates the problem of neighbors taking care of them while their mother is in the hospital for treatment of a broken ankle suffered in the explosion.

Mrs. Mary Clark, of the welfare society, said that neighbors are planning to organize a work party to rebuild the Holton home for them.

"This is the sort of thing," Mrs. Clark said, "that will really prove this community cares about the Holtons."

Masonic Temple to be Built In Lemon Grove

The Lemon Grove Masonic Lodge will have its own temple this year, it was reported by Francis Patterson, president of the Lemon Grove Masonic Lodge 736 Temple Association.

SIGN ROUTE 80 TO BE EXTENDED

Bids are currently being solicited for an additional link of U.S. 80 freeway in the city of El Cajon, which is a portion of the National System of Interstate and Defense Highways (Route Interstate 8), announced Jacob Dekema, district engineer for the State Division of Highways.

The two-and-nine-tenths miles of four-lane freeway being currently advertised will extend between 0.2 mile west of Magnolia Avenue and 0.2 east of Third Avenue in the city of El Cajon, Dekema said.

The bids will be opened in Los Angeles on April 21, 1960.

WATER NEEDS GROW

Forecasts by the State Department of Water Resources show that the total seasonal requirement for water for all consumptive purposes in California will almost triple in the future. The total water needs of the State in recent years have amounted to some 21 million acre-feet per year, says the Department.

Tennis Team Ties Crawford Netmen

The Mount Miguel tennis team tied Crawford in their first match of the year, 16-16. The match took place on the Matadors' home courts, Friday, March 11. Scoring honors for the Matadors goes to the doubles team of John Lehton and Tom Kinnersley, who went undefeated to amass eight points between them. The Junior Varsity team defeated the Colts, 25½-6½.

On March 15, the Mount Miguel tennis squad blasted the Hilltop Lancers, 28½-3½, on the losers' courts. Singles participants for the Matadors were (in order of rank): Allen McCune, Bill Carper, Warren Carnie and James Bookbinder. In doubles were John Lehton with Tom Kinnersley, and Stephen Dahl with Randy Cremer. This was the first league match for the Matador racquetmen.

William Carden, tennis coach, commented, "We anticipate a prosperous season, and a good match when we meet Hilltop again in April."

The Matadors will play Helix on the Highlanders courts on March 25, and on the twenty-ninth will host the Coronado team.

Pony League Registers 150 At Meeting

At a meeting last Wednesday of the Lemon Grove-Spring Valley Pony League, 150 boys registered for places on teams.

The board of directors announced that eight teams have managers and coaches. The new by-laws were voted on. Dates for tryouts were set as March 19, March 26 and April 2; each boy is required to try out at least twice. A budget was proposed and accepted.

The new chairmen of various committees were announced as: publicity, Edith Gosselin; Eleanor Westover, concessions; Art Johnson, equipment; George Spencer, trophies and grievance; Ray Kotnik, players' agent; Basil Duncan, by-laws. The managers are Glover, Wilbur Turner, Peterson, Keith, Blair, Birchell, and Ballinger. The coaches are Moen, Baird, Baggett, Smith and Darnell. The chairman of way and means is Leah Hogarth and chairman of the field committee is R. Schweitzer.

Matador Diamond Men Hang Onto First Spot

By Bill Ott Jr.

Coach Walt Gehrke's Mt. Miguel Matador baseball team continued to hold on to first place with the El Capitan Vaqueros after last week's action.

The Matadors handled the Hilltop Lancers with ease Tuesday afternoon and dumped the Lancers 8-1, in the game played on the Hilltoppers' field.

Friday afternoon the El Cajon Braves invaded the Miguel diamond and were headed for an easy 6-3 victory over the Matadors, but the Miguel basebatters "caught on fire" and with 2 out scored 4 runs in the bottom of the seventh to score a come-from-behind 7-6 victory, and hand the Braves their third loss in the Metro League campaign.

Mt. Miguel scored 3 runs in the first inning against the Lancers to jump off to an early lead. In the second inning they scored 2 more and held a 5-0 lead until the top of the sixth frame when they added 2 more, while the Lancers tallied their lone run. In the seventh the Matadors scored 1 more to ice the victory.

Bill Thornton started the pitching chores for the Matadors, but was relieved in the fifth inning by Larry Smith who went on to finish the game. Chuck Campanella completed the battery as catcher.

Thornton was the winning pitcher for the Miguelers and Lee was the losing chucker for the Lancers.

Miguel once again jumped off to an early start in the first inning against the Braves, with a 2 run outburst in the opening inning.

The Braves evened the score up in the top of the second inning with 2 runs also, and went ahead in the third with one run for a 3-2 margin at the end of

SWIMMING
Mount Miguel's first swimming team opened their campaign with a dual meet with Vista, and absorbed a 65-20 thrashing. The meet was held at Vista Friday afternoon. Dave Szuch, Tom Langpap, and Ted Taylor were the leading scorers for the Matadors.

Wrestlers and Cagers To be Honored Here

Mount Miguel wrestlers and cagers will be honored at a sports banquet on March 25.

Undeclared for three years in the Metro League, the wrestling team placed second in SCIP competition at Redondo Beach. Equally honored will be the basketball teams which have compiled the best record over Miguel's three-year existence, according to Robert Brady, ASB advisor.

Serving will begin at 6:30 p.m. in the Mount Miguel cafeteria. The Miguel Boosters' Club, through parent donations, will furnish the supper. Members of the Girls' League will assist in the serving.

Admission is free to the members of the basketball and wrestling squads, as well as to those parents who have donated food. All others will pay \$1 per plate. Mount Miguel ASB members are handling publicity and ticket sales.

Frank Ramsey will act as emcee of the evening and Principal Melvin Grant will give the welcoming address. A guest speaker whose identity is being kept secret until the banquet will deliver the major address of the evening.

More Q&A on LG Coordinating Council

This is one of a series of questions and answers concerning the Lemon Grove Coordinating Council. Additional questions are invited. Answers will be supplied by Mrs. James Martin, chairman of the group's public relations committee.

WAS THE COORDINATING COUNCIL FORMED TO INCORPORATE LEMON GROVE?

No. The purpose of this organization as stated in the by-laws is to "bring together representatives of local government

and voluntary social agencies and organizations in Lemon Grove to enable the community to act together in promoting the welfare of children, youth, and the community itself."

Yet, if a majority of the members (remember, these are a cross section of all local groups) decide they want to support any issue, the Council would be responsive to this determination because the Council and the members are synonymous.

Income Tax Fax

You can deduct all the expenses you incur in the collection or in the production of taxable income, including all the expenses of determining your tax liability, or contesting your tax liability, and this includes all kinds of taxes.

This section provides that an individual who has elected to itemize his deductions shall be allowed as a deduction all the ordinary and necessary expenses paid or incurred during the taxable year for the production or collection of income, or for the management, conservation, or maintenance of property held for the production of income, or in connection with the determination, collection, or refund of any tax.

"Other deductions" is the catch-all for the many non-business deductions which are too numerous for separate scheduling on Page 2 of Form 1040.

Principal among these are the unreimbursed expenses of employees, (other than outside salesmen) for clerical help, stationery, business entertainment, union dues, uniforms, tools, and supplies, subscriptions to professional journals, etc.

Other expenses which are deductible here are employment agency fees, amounts paid for the preparation of an income tax return, employee bond premiums and periodic alimony payments made to a divorced or separated spouse pursuant to a divorce, a decree of separate maintenance or a separation agreement. Commuting between your home and your place of employment is not considered a cost of earning your income and is not deductible.

Scout News

The Blue and Gold banquet of Cub Pack 325, sponsored by the First Baptist Church of Spring Valley, was held the latter part of February in the Palm Avenue elementary school, with about 300 persons attending.

John Wolf led in the salute to the flag and the opening prayer was given by Owen C. Phelps, deacon of the sponsoring church. There were several guests who were introduced; Institutional representative H. A. (Tommy) Thomas and wife, Mr. and Mrs. Owen C. Phelps (he was representing Rev. Rol and Taylor, who was unable to attend); former Scoutmaster Chester Kruk and family; former Cubmaster Charles Calkins and family; National Walking Draw champion, Gary Freimiller and family; and Eldon Carl of the El Cajon police department and family.

Cubmaster Roy Cones announced plans for the Pack's trip to Disneyland on April 3. Harold Wagner announced the Charter review on March 30.

The pack then presented a plaque to Cubmaster Cones for his work with the boys.

An outstanding part of the evening's program was presented by Gary Freimiller and Officer Carl. They showed some fast and fancy gun drawing and stressed to the boys the importance of not playing with or pointing a gun at anyone. They also demonstrated the correct

manner of handling firearms. A special award was presented to Max Clark.

The following awards were presented: Jean Clark, Den Mother of Den 4, a one year pin; Barclay Cobb, Denner stripe; Gary Cones, gold arrow; Tommy Tagg, silver arrow; Mark Laberdie, assistant Denner stripe; Chuck Lawton, Lion badge, Webelo badge, one gold and two silver arrows; Larry Rowen, Lion badge and Denner stripe; Billy Rowen, Bear badge;

Following the awards each Den entertained with a skit. Much appreciation was shown to Kenny Harmon for his work on the plaque.

Youngsters Plan Show For Teenage Fashions

"April Showers" featuring fashions for teenagers will be presented by two Lemon Grove merchants, Linda's and The Highlander on March 31 at 7 p.m. in the Mount Miguel high school cafeteria. Poodle fashions by the Poodle House also will be highlighted.

Under the chairmanship of Sharle Tower, the fashion show will feature Fred Elliott of the Mount Miguel staff, who will sing and act as commentator.

Linda Thompson is chairman of decorations and Sue Titmas is in charge of the models. Tickets will be 50 cents for students and \$1 for adults and can be obtained from members of the Pep Club and Mount Miguel Boosters' Club.

Charter Dinner Set For Heartland Y.M.C.A.

Charter installation dinner of the Heartland Branch of the Y.M.C.A. will be held this week on Thursday at the Helix high school auditorium at 6:45 p.m.

The east county group will become an entity as a full-fledged branch with the charter ceremonies according to John Davis, organizing chairman.

The Y.M.C.A. organization has been working in the east county for 28 years. With the consolidation of the S.D. and County Ys, local members decided to meet the requirements of the national Y.M.C.A. to become a branch.

At the ceremonies when this area officially achieves branch status, O. W. Todd, city and county Y president, will present the charter. A short business meeting, entertainment by the Helix Spring Ensemble, and introductory remarks by Davis will complete the program.

Models for the fashion show include Sherry Andrews, Sandra Cook, Cathy Curby, Helene Gordon, Becky Lord, Barbara Ralston, Sharon Stray, Sue Titmas, Linda Thomson, Sharle Tower, Shirley Youcud, Mutsumi Nishifuji.

Mike Cosby, Bob Howard, Dick Schwab, Phil Steel, Tom Shirey, John Speckman, Jinx Stevens, Wayne Stephens, Vee Seal, Philip Titmas, Steve Hurt and Angelo Sanza.

BEGONIA SOCIETY

The San Diego Begonia Society will hold its regular monthly meeting Monday at 8 p.m. in their new meeting place, Barbara Hall, 2717 University ave., Plymouth Church. Ed Moore will speak on "A Trip To The Unusual Places Of Mexico, In Search Of Rare Plants." An interesting evening is in store for all. Guests are cordially invited.

LA MESA WRITERS

The regular monthly meeting of the La Mesa Writer's Club will be held Monday at 1 p.m. in Porter hall, University and La Mesa Blvd., La Mesa. Main order of business will be the reading of original manuscripts; any subject. The meeting is open to visitors and there are several openings for new members, says Mrs. Gladys Orr, president.

CONCERT ASSOCIATION

Grossmont Community Concert Assn. is conducting its annual membership drive from now to the end of March. Any one wishing to renew a membership or purchase a membership is asked to contact either Mrs. Gertrude Gilbert of Spring Valley or Mrs. Fred I. Ward of Lemon Grove.

Lois Claussen To Compete In Spelling Bee

Lois Claussen will represent Mt. Miguel high school in the AMVETS' annual district spelling bee to be held in the Veterans War Memorial Building in Balboa Park next Tuesday, according to A. P. Ruffler, district commander.

Ninth graders for sixteen city, county and parochial schools will be competing with the winner going to the southern area. Finals in Los Angeles in April. The state championship will be decided during AMVETS' department convention in Monterey in June.

Winner of the crown won last year by Olivia Romero of the Little Flower Academy at San Luis Rey, will receive a trophy and a U.S. savings bond, along with the trip to Los Angeles.

The contest will start at 7:45 p.m. and the public is invited, Ruffler said.

THIRD GRADER PARENTS AID IN SCHOOL HARBOR TRIP

Parents received a taste of third grade activities recently when they accompanied Mrs. Emma Tait's Vista La Mesa class to Point Loma. Mrs. Cleo Marr, Audrey Carter, Harry Bailey, Lillie Martin, and D. C. Albanese assisted Mrs. Tait with the trip to the harbor which included a visit to the famous Old Spanish Lighthouse on the Point.

From the lighthouse the class viewed all San Diego Harbor, a subject they studied in class prior to the tour. They also visited or viewed many of the San Diego industries discussed previously in their third grade social studies lessons.

SECTION A—PAGE 1

Hospital Auxiliary Names Mrs. V. Francisco Prexy

Grossmont Hospital Auxiliary elected a new slate of officers recently.

Those elected were Mrs. Vinard Francisco, president; Mrs. Elmer Drew, executive vice president; Mrs. Alec Cory, secretary; Mrs. Clifford Leach, treasurer; Mrs. John Landesco, parliamentarian; and five vice presidents: Mrs. L. R. B. Henrikson area co-ordinator; Mrs. Leor Noel, volunteers; Mrs. Paul Dail, membership; Mrs. Mearl L. Baker, public relations; and Mrs. Edwin Nystrom, Ways and Means. Mrs. Von N. Marshall is retiring president.

Mrs. W. Rollin Lee, Harves Ball chairman, announces the following appointments for the October 1 event: Mrs. John Terhorst, programs; Mrs. Paul Engstrand, arrangements; Mrs. Edward M. Tobin, invitations; Mrs. Norman N. O'Farrell, usherettes; Mrs. Jens Hutchens, provisional training; Mrs. Wm. Teawell, presentations; Mrs. Louis Mierlot, publicity; Mrs. A. E. Brudno, decorations.

The auxiliary's third annual polo tournament will be held Saturday and Sunday, May 14 and 15, at Hering Polo Field in

Lakeside at 1:30 p.m. As a stimulus to youth in the area the auxiliary is sponsoring an essay contest on polo, and has invited all high school students in the district to enter. The purpose is to interest young people in his spectator and participating sport. Students owning horses may receive polo instructions, according to Dr. E. R. Hering. Rules are available through the principal's offices of all five high schools. Winners will receive cash prizes and free polo tickets. Mrs. K. M. Woods is contest chairman, and Mmes. Elliott Johnson and W. H. Dickel are polo chairmen. The tournament will be open to the public.

Court Teresa Initiates Members

At a recent initiation of Court Teresa of Avila, Catholic daughters of America, 12 new members were welcomed at a ceremony in St. John of the Cross hall.

Mrs. Roy Fitzgerald, state vice regent; Mrs. Grace Whitel, district deputy; Mrs. Ralph Johnson, Diocesan chairman of CDA extension, and Mrs. Ralph Mulroy, grand regent, presided at the meeting. Grand regents from San Diego, Chula Vista, Ocean Beach and El Cajon also attended.

New members welcomed were Mmes. Edward Wood, Eugene Warnimont, Howard Bumber, Leo Mueller, Doyle Shaeffer, Richard Harris, Anthony Battalia, Frank Sexton, Bob Augustine, William Bell, Ernest Maynard, E. M. Villarin and Ann McGahee.

A St. Patrick's Day theme was used in the decor of the dessert tables. Mrs. John Korpita, social chairman, was assisted by Mmes. Burger, Gallina, Rucci, Wohlwend, Cox, Sledge and Miss Recchia.

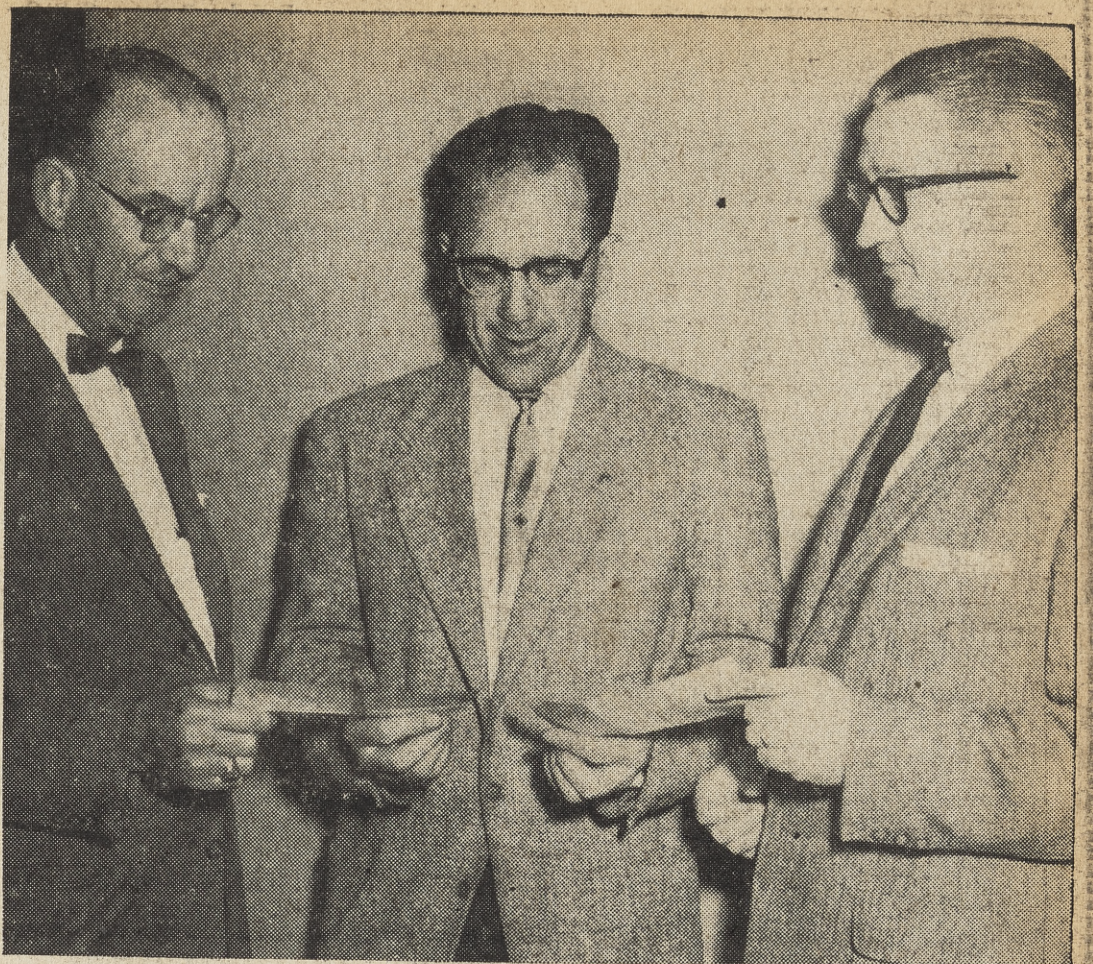

Msgr. John McDonagh, Chaplain of Court St. Teresa Avila, welcomed the new members.

ENGAGED—The engagement of Delores Dyson, 1731 Madiera st., Lemon Grove, to Kenneth Marvin Adams of San Diego, was announced this week by the bride-to-be's parents, Mr. and Mrs. Frank Dyson. Miss Dyson will be graduated from Helix high school in June. Mr. Adams, the son of Mrs. Hepsy Adams and the late H. C. Adams, is attending San Diego Junior College and will go to the Los Angeles Art Center to pursue his studies in commercial art. No wedding date has been set.

DeMolay Mothers Meet Thursday

The regular meeting of the Lemon Grove DeMolay Mothers' Circle will be held this Thursday at 7:30 p.m. at Friendship Hall, Lemon Grove Congregational Church, 3130 Main.

All mothers of new DeMolay members are invited to attend. Sunday, April 3, from noon to 5 p.m. a fried chicken dinner will be served at the Youth Center, Lemon Grove. Mrs. Dallis Widick is in charge of reservations.

WINDFALL—Robert Sutton, principal, of the Lemon Grove junior high school, is recipient of two service club donations for uniforms for the junior high school band. Left, Dr. Thayer Crow, Kiwanis club president, is handing Sutton a check for \$1,050, proceeds from the club's annual pancake festival. On the right is Dr. Basil Maloney, chairman of the Lion's club fruit cake sales project. He is handing

Sutton a check for \$500. Dr. Maloney said the club had raised \$431.45 on the cakes, but additional contributions from members bought the total to a rounded off \$500. Sutton said the goal, still \$800 short, should be reached by sales of tickets to a band concert to be held in April under the sponsorship of the Junior High School Band Parents Association. Couple Keeps Water-Ski Date The Hard Way

A Lemon Grove dental assistant escaped serious injury last week when a motorboat scooted over a spillway and plunged 40 feet to the ground.

Lorelei Breid, 18, employed by Dr. Dennis McLaughlin, 7615 Broadway, Lemon Grove, said she and her escort had

gotten into their motorboat at a landing at Squaw Lake near the Arizona-California line to go upstream for a day of water skiing.

Her escort, an El Cajon man, headed the craft downstream by mistake and it went over the combination spillway-dam with the two occupants. It landed on dry ground with the outboard motor still running. The boat was undamaged. The couple suffered only minor bruises, and later walked upstream and got their car and trailer to refloat the boat. The car, backed into the mud and got stuck. It was freed with the aid of a couple of nearby fishermen. After the boat was loaded, the car's battery went dead. The battery was charged after a call for help to a service station in the general area.

The two-ome then kept their water-ski date.

"It was fun," Miss Breid said.

Fire Season Due to Start, Chief Says

Fire season in the Spring Valley fire district will start April 15, Chief Berger said recently. He advises that now is the time to get weeds and brush cleaned from around buildings before dryness sets in.

The SV Fire Dept. had one fire call and three ambulance calls during the week of March 9-16.

The one fire call was March 11 at 4:15 a.m. to the home of Mrs. Jean Schneider, 9204 Campo Rd. It was a mattress fire and apparently Mrs. Schneider had been smoking in bed. The house was filled with smoke, the report stated.

The three ambulance runs were: March 9, at 11:10 a.m. and C. V. Houk of 9050 Lamar was taken to County hospital with a possible stroke; March 12, Mrs. Luetta Bowles of 3546 Bancroft Dr. was taken to the County hospital; then on March 15 at 11:12 p.m. a car went into the ditch near Eucalyptus Park. Richard Leroy Dahmer, 16, of 3835 Costa Bella, Lemon Grove, driver of the car, received head injuries and was pinned between the car and the bank, the Calif. Highway Patrol reported. The passenger, 13-year-old Phyllis Stone of 8450 University Ave., La Mesa, received back injuries, cuts and bruises. Both were taken to Grossmont hospital.

Spiritual Reality Bring Blessings, Says Sermon

"Reality" is the subject of the Lesson-Sermon in the Christian Science churches on Sunday. The main theme of the sermon is that spiritual understanding foresees and beholds divine reality, detects and forestalls evil, and brings progressive improvement to the human footsteps moving toward God and good.

The sermon is built in the living demonstrations of the great prophets, Elijah and Elisha, and on the spiritual significance of prophecy. Peter is quoted in his second epistle where he asserts, "The prophecy came not in old time by the will of man; but holy men of God spake as they were moved by the Holy Ghost" (1:21).

"Prophet" is defined in a related passage by Mary Baker Eddy from "Science and Health with Key to the Scriptures" as "A spiritual seer; disappearance of material sense before the conscience facts of 'spiritual Truth.'"

Cash Premiums To be Higher For Features

DEL MAR — Increased cash premiums will be offered counties, communities or organizations competing in the citrus fruits feature display division at the annual Southern California Exposition and San Diego County Fair in Del Mar June 24 through July 4.

The competition is open to any one or more varieties of citrus fruits in any combination.

Premiums offered are first \$325; second \$300; third \$275 and fourth \$250.

In the competition between counties and communities the display must be 100 per cent citrus and not less than 20 boxes. Floor space must not be less than 400 square feet and ornamental shrubs and potted plants may be added for artistic effect.

Dinner Scheduled To Raise Funds For Congo Project

A roast beef dinner will be served this Saturday night at the Lemon Grove Methodist Church from 5 to 8 p.m.

The dinner is one of the many projects that the church members are sponsoring to raise money to send Wes Buttermore of Lemon Grove to the Belgian Congo this summer. While there he will help complete and modernize a hospital in Kanpanga.

Tickets for the dinner are available at the church office located at 3205 Washington St., or by calling HO 6-8065.

POLITICAL PLANS — Congressman James B. Utt, left, representing the 28th Congressional District which includes this area, and Vice President Richard M. Nixon, candidate for President, met recently to discuss California politics in the Vice President's Washington office. Both Utt and Nixon petition papers have been taken out to acquire the necessary number of signatures to insure each candidate a place on the June 7 primary ballot.

Navy Chaplain Slates Evangelistic Service

Chaplain Harold F. Menges, USN will be guest speaker at the week's evangelistic services at the Bancroft Baptist Church, March 27-April 3. Services will begin each evening at 7:30. The church is located at 2300 Bancroft, Spring Valley.

Chaplain Menges, who conducts services at the Naval Amphibious Base near Coronado, was stationed at Pearl Harbor, 1955-58. While there he was known as the "Billy Graham of the Pacific," because of the way he packed the people into the Submarine Base Chapel each Sunday. The first Sunday there were 66 persons present. In April of 1958 the average attendance each Sunday morning was 1,470. Assisting the chaplain was a staff of 115 Sunday School teachers, 35 senior choir members, 25 junior choir members and a staff of ushers and greeters.

During this period over 150,000 people attended the chapel services and the offerings totaled more than \$35,000 of which approximately \$10,000 went to foreign mission projects.

Chaplain Menges served as chaplain to Pres. Truman at Key West. He also served in Bremerhaven, Germany. He says he believes in preaching

CASA DE ORO BAPTIST

A team of six young people, sponsored by the Baptist General Conference, are ministering with, and at Casa de Oro Baptist Church this week and next. They will be doing visitations and also have charge of the Wednesday evening meetings, as well as have a part in the Sunday services, including the youth meetings. A baptismal service will be held Sunday evening, followed by the regular services.

SV FIRST BAPTIST

There will be a local church workshop for Sunday School teachers beginning at 7:30 p.m. Friday, at the First Baptist Church of Spring Valley. Then on Saturday the session will be held from 9 a.m. to 12 noon. The teachers will receive instructions on the best methods of instructing Sunday School pupils. Children from the church will be used as the pupils. The workshop is in conjunction with the children's work in the Southern Calif. Convention.

"Blind Bartimaeus" will be Rev. Roland Taylor's Sunday morning text. In the evening he will speak on the subject "Minding Our Own Business."

FAITH

Faith brings contentment. God never intended that we should find our contentment in things which are earthly. We need some of these, but they cannot bring true happiness. We are content and satisfied when we find the treasure which will bless us in this life and in the life to come.

Area Store Gets Top Merchandising Award

NEW YORK (Spcl.) — The major department store in the forthcoming College Grove Shopping Center has been named winner of the nation's top retailing award. Walker Scott Company, San Diego was adjudged "Brand Name Retailer-of-the-Year" for 1959 competition.

The coveted award went to Walker Scott in the 12th annual competition among 571 retailers from all over the U.S. Two nearby firms, Brock Construction Co., 4409 Euclid ave., and Don's Shell Stations, 4404 University ave., were runners-up in their respective classifications. Walker Scott Co. topped all finalists in the Department Stores—Class II category. The firm took second place in last year's competition and was awarded a runners-up certificate of distinction the year before that, according to Paul Howard, sales and promotion director for the firm.

George A. Scott, president of Walker Scott Co., will accept the award during a dinner honoring the nation's leading merchandisers at the Waldorf-Astoria May 6. More than 1,500 business and civic leaders will participate and the affair will climax the nationwide celebration of Brand Names Week May 1-8. The winners, their families and business associates will be saluted during a three day celebration during the week.

The competition is sponsored by Brand Names Foundation, Inc., New York City and is based on the firm's 1959 brand name advertising and promotional campaigns. Also considered is the firm's education program for customers and personnel, spotlighting manufacturers' advertised brands.

Judges are a panel comprised of winners of the prior year's competition. Presentation of awards will be made by the Foundation's president, Henry E. Abt.

THE RIVAL WORLD

MAN'S ENDLESS WAR AGAINST THE INSECT

here's another of nature's pests that we can all do very well without... the **BOXELDER BUG**

the enemy:

BOXELDER BUGS ARE FLAT-BACKED, NARROW, ABOUT 1 1/2 INCH LONG. THEY'RE BROWNISH BLACK, HAVE THREE RED STRIPES ON THE THORAX, RED VEINS ON THE WINGS. THE NYMPHS ARE BRIGHT RED.

the attack: THEY FEED DESTRUCTIVELY ON FLOWERS, FRUITS, FOLIAGE AND TENDER TWIGGS—ESPECIALLY OF BOXELDER AND ASH TREES. THEY ALSO ATTACK MAPLES, MANY FRUIT TREES, SOME HOUSE PLANTS. IN THE FALL AND EARLY WINTER THEY SWARM INTO HOUSES, MASS ON TREE TRUNKS, WALLS, PORCHES. ALTHOUGH THEY CAN'T BITE OR HARM FOODS, CLOTHING OR FURNITURE, THEY CAN BE A NUISANCE.

man's counterattack:

CONTROL THEM WITH DIELDRIN, OR LINDANE, IN PREMISES, APPLY AS SPOT TREATMENT: AROUND DOOR SILLS AND WINDOW FRAMES. SPRAY DIRECTLY WHERE THEY CONGREGATE. SPRAY ALL INFESTED TREES AND PLANTS. ALWAYS FOLLOW DIRECTIONS ON LABEL.

Albert Anderson Dies at 74

Funeral services for Albert C. Anderson, 74, of 2310 Debo, Lemon Grove, who died last week in a hospital, were held last Thursday in the First Baptist Church, where he was a deacon. Burial was in Mt. Hope cemetery.

Anderson, a retired painter and decorator, lived here 17 years. Survivors include a daughter, Mrs. Jean Graham of Lemon Grove.

Auto Safety

A couple of good driving tips just reached our desk. One is from the Calif. Highway Patrol and the other from the Allstate Safety Crusade.

Says the CHP. (in part), "We note that drivers are becoming lax in lowering headlight beams and we want to stress the importance of complying with a law whose purpose is to make driving at night safer."

"Compliance really is a simple matter. All the law requires is that you lower your headlight beams at night when within 500 feet of an approaching vehicle or when you are following another car within 200 feet."

Commissioner Bradford Crittenden, who made the above statement, said that he is satisfied that illegal use of high beams contributes to many of our fatal auto accidents.

"Warn bumper riders by turning your lights on and off several times in succession," the Allstate Safety Crusade states. It says that the flashing back lights will alert the driver behind you to lengthen his following distance, by giving him the impression that you're pumping your brakes.

WIRE SERVICE
San Diego Junior College's student radio station KSDS-FM became a part of the Associated Press subscription list last week as a teletype machine connected to the AP's nation-wide radio and TV wire service was hooked up on the campus. Paul A. Roman, instructor in radio arts, said. The teletype machine will be used by radio arts students and journalism classes as well.

Don Diego Markets Observe 12th Birthday

Don Diego Markets this week celebrated their 12th anniversary.

The firm has one store in Lemon Grove, at the corner of Olive and Broadway; one store in San Diego on El Cajon boulevard, and one on Fort Stockton drive in Mission Hills.

Lauren A. Kuentzel is president of the company; A. N. "Johnny" Ambler is vice president and treasurer; Ray Anderson, general manager. "Skip" Degenhart is manager of the Lemon Grove store, with Bill Dunn in charge of the meat department.

Since the Don Diego firm bought the Lemon Grove store last year the local store has jumped into prominence as one of the community's leading grocery stores. To keep pace with the increase in business, the staff has grown from eight to its present level of 32.

Consulting Firm Hired By New Shopping Center

College Grove Shopping Center has retained the services of Shopping Center Consultants of Libertyville and Chicago, Illinois, to assist the Center in formation of its merchants association and the planning of some of its opening activities. Mervin L. Blum, general manager of College Grove, said this week Blum said the consulting firm will provide specialized services to his staff, supplementing the work of Phillips-Ramsey, Inc. the Center's advertising agency, in completing plans for College Grove's grand opening, set for July of this year.

Shopping Center Consultants is one of the top firms in the country specializing in merchandising, planning and promotional activities in this field. SCC has 50 shopping center clients throughout the United States. Blum said the College Grove Merchants Association probably will be formed sometime during April, and the exact date of grand opening will be announced about two months thereafter. Over 60 merchants are represented at the new center, with Walker Scott Company as major tenant.

College Grove is being built on a 70-acre site at the intersection of Freeway 94 and College Avenue in Lemon Grove. Construction is now about 70 per cent complete, with finishing of individual stores well under way.

As the area's first regional shopping center, the huge building has more than 14 acres of floor space under roof. It will be air-conditioned throughout. The site will provide parking on two levels for 6,000 cars.

Kuentzel said this week that 12 years ago the firm's one store did "about \$100,000 gross business" a year. This past year, the three-store combination grossed more than two million dollars.

The name for the firm came from the popular mythical figure of "Don Diego," who represents the traditional Spanish aura of the area.

With the Lemon Grove store showing such tremendous growth in the past few months, the owners are seriously thinking about adding another store in the community, possibly next fall.

"There isn't anything phenomenal about our growth," Kuentzel said. "We simply believe in giving good service, and selling good merchandise at fair prices."

In celebrating its 12th anniversary, the Don Diego firm is staging a special "anniversary sale" this week at the Lemon Grove store.

What's Doing In the PTA?

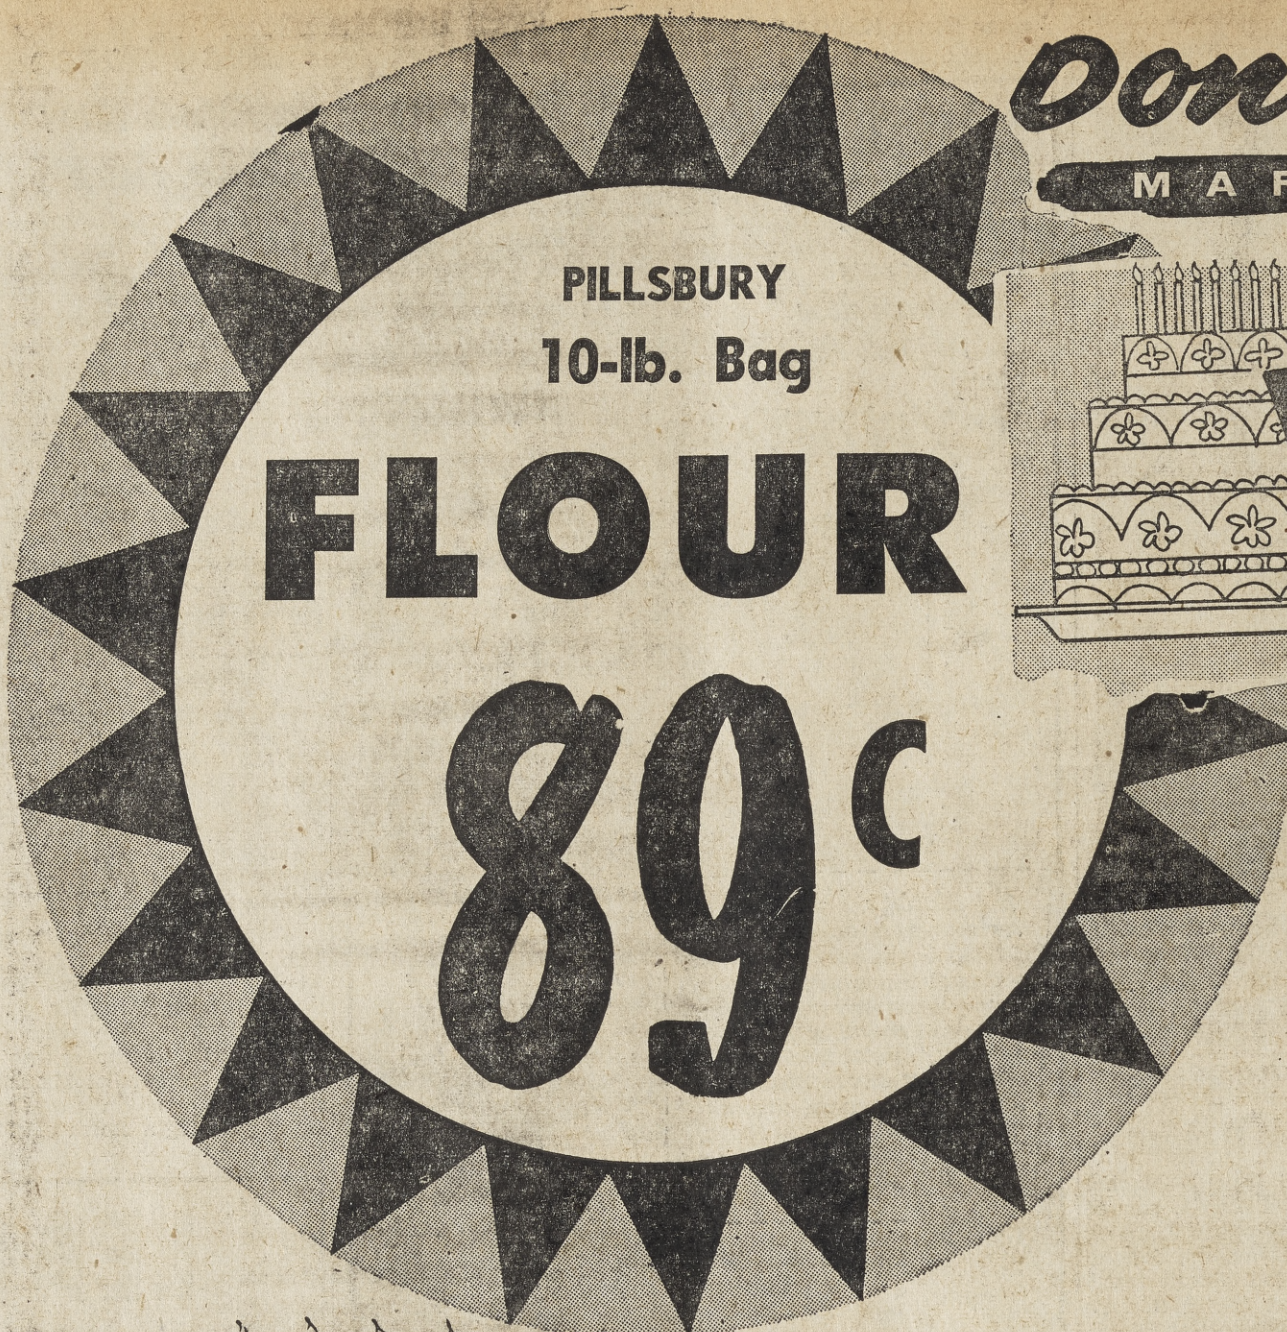

The Spring Valley Junior High School PTA will hold its regular meeting Thursday at 3 p.m. in the school cafeteria. The theme "The Bridge of Understanding" will feature the science department. Edward Din, science department chairman, will be in charge of the science program and there will be a display of the science fair finalists. Finalists of the annual Spring Valley Junior High School talent show will be presented.

An election of officers will be held during the business part of the meeting. The social part of the evening will be at 7:30 p.m.

Helix High School PTA has elected officers for the coming year. They are president, Kellan Aiken; first vice president, Mrs. Thomas Cooper; second vice president, Mrs. John Schmittner; third vice president, Mrs. W. M. Beasley; fourth vice president, Mrs. Geo. Birch; fifth vice president, Sidney Pickup; recording secretary, Mrs. R. J. Layburn; corresponding secretary, Mrs. Ray Bullack; treasurer, Mrs. James Martin; historian, Mrs. Ivan Nolan; auditor, Geo. Burch; parliamentarian, Mrs. Robt. Higgins.

Aiken will attend the PTA state convention in San Francisco in May. Further plans for co-workers are still being made. The executive board will meet with Mrs. R. W. White on Monday at 7:30 in the school library.

"Satisfaction Is The Most Important Thing We Sell"

PTA Council Slates Movie Conference

Final plans are being made for an East County Movie Conference to be held on Thursday evening, March 31, at the Cajon Valley junior high school.

The conference has been set up by Foothills Secondary Council of the PTA "as a result of numerous complaints received regarding the types of movies and movie advertising to which children and youth are being exposed," according to a statement issued by the PTA. Representative lives from church, civic and service groups have been invited to attend. Local theater managers have been asked to "give advice and help in securing more suitable movies for children."

Specific items which the PTA says will be considered include "incompatible twin bills, previews of unsuitable coming attractions at kiddie matinees, sensational advertising of unsuitable films, children's matinees not picked for the age level to which they cater, and in adequate supervision in drive-in theaters."

Mrs. Charles Jackson, spokesman for the PTA council, quoted a current press release from the California Congress of Parents and Teachers in Los Angeles. This statement says in part, according to Mrs. Jackson that the California Congress "is concerned with the general indifference, even acceptance without protest, to present day trends toward a lowering of moral and ethical values as revealed in a study by the Mass Communications Media committee relative to radio, television, motion pictures and publications, since these media have a definite influence on children and youth."

"As an organization whose object is the welfare of children and youth, the California Congress of Parents and Teachers has had a continuing action program to encourage parents to accept the responsibility of guidance in the selection of what their children hear, see and read. Too frequently these media have been used as a baby sitter, pacifier, or substitute for planned family recreation."

"We also believe that it is the responsibility of the public to indicate to the television, radio motion picture, and publishing industries their approval of programs and content which meet high moral and social standards. As a further guide to the industries, protests should be made to objectionable and degrading productions and publications."

Mrs. George Birch, president of Foothills Secondary Council will open the conference at 7:30 p.m. She will present Tom Warburton, assistant superintendent of the Grossmont high school district, who will be the chairman for the evening.

Warburton will give general background information and reasons for the conference and will conduct a general discussion. Howard Neff, principal of La Mesa junior high school, will divide the conference into small groups, each of which will try to formulate "several recommendations for improving the quality of movies and movie advertising."

A second general session will be held to get those recommendations.

representatives can then choose which of the recommendations they wish to take back to their groups.

Square Dance News

A new class, sponsored by the Dancin' Dudes Square Dance Club, will start April 7 at the Elks Lodge, Chula Vista.

Dell Lake was club caller when the Dancin' Dudes held their regular dance in the Spring Valley Chamber of Commerce hall on March 19. Guest callers were Ron East, Tom Montague, Frank Dyson and Roy Close. Host and hostess of the evening were Jim and Mickey Dugan. The theme was "graduation." There were exercises for the graduation class of the Dancin' Dudes.

Guests were the Wheeling Stars, Trailing Squares, Promenaders, Forward Eights, and Elk Promenaders.

Frontier Squares traveled over to Montezuma school to dance with the Square Eighters on March 18. A great time was had by all.

Now is the time for anyone wishing to brush up on his square dancing to join our fine class in the La Mesa Dale elementary school. The class is in the last few weeks before graduation.

The 7th Presidents dance will be held this Saturday in the National City Armory. A complete buffet supper will be served at 11 p.m.

Vocal Protests Stall Improvement District Project

SAN DIEGO (CNS) — Protests from property owners on one end of a Lemon Grove street has caused the County Board of Supervisors to put off until April 5 a decision on a street improvement project.

The street is Eldora, about a mile and a half south of Broadway. The protests were entered by residents of the 1900 block, who claim they have curbs and don't need sidewalks.

The project proposed for financing by a 1911 improvement act district would cost \$12,370.

R. H. Sharrock, in the area protesting, said he had received two estimates of his share of the project, one of \$700 and the other of \$2,800, although the first estimate was \$60.

It was explained the \$700 figure was correct, that the larger amount had been reported first in error. This was the assessed valuation, not the assessment, and a similar mistake had been made for other property owners, it was stated.

Robert A. Dodson and Mrs. Louis L. Burkhalter also protested the cost of the project.

James H. Grandfield, who said he was the first signer of the petition, reported that the cost was originally estimated at close to \$500, so other statements were in error.

Supervisors then questioned the possibility of changing the project so that no sidewalks would be installed in the area where property owners are opposed.

Sharrock, in questioning the need for curbs, said it would not change the amount of water flowing down the hill, but Howard Taylor, representing the surveyor's office, declared the curbs were a necessary part of the project to control the water. Surveyors directed Taylor to report in three weeks on the cost of putting in just curbs, with sidewalks to be only where requested.

Future Farmers Offered Cash At County Fair

DEL MAR — Cash premiums ranging from \$50 for first place to \$35 for fourth will be offered in San Diego County Future Farmers of America chapters feature exhibit booths at the annual Southern California Exposition and San Diego County Fair in Del Mar June 24 through July 4.

Booths during the 1960 exposition will measure 10x10 instead of 8x8 and will be located in the Harvest Hall. They must be completed and ready for judging by the morning of June 4, opening date of the fair.

Exhibits, according to Lloyd Jewell, department superintendent, must be educational—showing what the organization has accomplished or learned during the year. Booths are limited to one chapter each and must be conceived, constructed and installed by members of the various chapters.

Premiums offered per section are: first \$50; second \$45; third \$40 and fourth \$35. There are two sections — agriculture booths and other F.F.A. activity booths.

Booths will be judged on the scale of 40 per cent for educational value; 20 per cent for theme or thought or idea expressed by design or feature; 20 per cent for decoration and lighting and 20 per cent for artistic arrangement and effective use of the space allotted.

Citrus Growers Eye County Fair Displays

DEL MAR—More than \$2,000 in cash premiums will be offered to citrus growers and packers in feature rack displays of the citrus fruits division at the annual Southern California Exposition and San Diego County Fair in Del Mar June 24 through July 4.

Rack displays must contain at least 40 standard display packages with completed designs. Competition in the rack displays is limited to grapefruit, lemons and oranges. Premiums offered are first \$200; second \$180; third \$160 and fourth \$140.

Scoring is based on 60 per cent for quality of fruit displayed and 40 per cent on artistic effect and execution of display.

LAW IN ACTION

JURIES, OLD AND NEW

Speaking before juries—the beginning of jury trials—goes way back to Greek colonies over 600 B. C., in lawsuits seized by tyrants.

Soon afterwards Athens itself took over such oratory, but seems never to have worked out rules of evidence or control of the trial by a judge.

Jurors often booed or cheered the parties, talked together, and shouted at the speakers. What one man knew or thought he knew about the case he told his neighbor.

All evidence could go: Personal knowledge, hearsay, prejudice, and a juror's opinion.

The Athenian juror had power: Each "dicast" (a juror chosen by lot) was both juror and judge.

Jurors sat in many courts; the smallest had 201 dicasts, the largest one such as tried Socrates had 601. (The odd man broke tie.) The jurors heard and decided their cases out in public, often amid swarms of citizens and foreigners.

One day to each case; and the accused—like Socrates—had to prove his innocence.

Each juror earned one obol a day—about three cents.

Each juror swore: "I shall vote according to the laws of the Athenian people and the Council of the Five Hundred; but as to things about which

there are no laws, I shall judge as best I can without favor or enmity. I shall judge as to things at issue and shall listen fairly to both the accuser and the defendant. These things I swear by Zeus, by Apollo, by Demeter. May there be blessing on me if I keep my oath; but if not, let there be ruin for me and my family."

Today as yesterday our juries are under fire: Some say juries waste time, people won't serve; jurors make stupid mistakes. Let experts do justice, critics say.

Such things hold true only if citizens forsake their right to serve.

Only a free people can enjoy the privilege of jury duty. A Greek thinker once said that the mark of a citizen, as opposed to an alien, was his right to share in administering justice.

When jury duty calls, think of yourself as seeking truth, hearing all the evidence, heeding the court's instructions, following the lawyers' arguments, and laying aside prejudice.

Note: California lawyers offer this column so you may know about our laws.

WATER NEEDED

If California is to attain its
full economic potential, addition-
al water supplies amounting to
some 31 million acre-feet per
year must ultimately be devel-
oped for use, according to the
Water Facts Library. The State
also must have enough water to
provide adequate stream flow
for fish, wildlife, and recreation.
This challenge calls for care-
fully-planned development of re-
maining undeveloped water re-
sources, the Library says.

Section 1. That a special election
